Construction Director appointed by Lucas Fit Out

Lucas Fit Out has appointed Frank Gallagher to the new post of Construction Director. Frank will work alongside Managing Director Danny Lucas and Commercial Director Paul Aylward to further the successful development of the specialist fit out subcontractor and sister company to S Lucas.

Frank has over 30 years experience in the construction industry delivering a wide range of new build, fit out and refurbishment projects. Most recently he was Delivery Director at Candy & Candy and before that he was Divisional Director at ISG Interior Exterior. He previously held senior positions at Bovis and Higgs & Hill. He is a Member of the Chartered Institute of Building.

Lucas Fit Out was formed over 18 months ago by S Lucas, the specialist painting contractor to the construction industry. The company offers a complete range of fit out services and is working on a number of important projects in and around the London area including Heathrow Airport.
